Thank you for your support in purchasing these supplies for your child. Although there are specific brands pictured, you DO NOT have to purchase those brands. **Please ensure your child has all of the above mentioned supplies on the first day of school.**

Rationale:

Grade 6 is the first time where students are experiencing moving from class to class and keeping items organized in a locker. These items are chosen to help your child be successful and organized in their classes with proper materials. This also helps your child to easily transition between classes.

Thank you,

Grade 6 Team
