March 8<sup>th</sup>, 2021

Dear parents, guardians and families,

Today we received information that an individual from Chestermere Lake Middle School has tested positive for COVID-19. We are working closely with Alberta Health Services (AHS) to ensure the necessary precautions are taken to protect students and staff. For privacy reasons, we will not be sharing more information about the individual.

Those students and staff, who our records show would likely have had close contact with the individual who tested positive, have been provided additional information in a separate email about required isolation and will be contacted directly by AHS by email in the days ahead. For questions about COVID-19, visit [alberta.ca/covid19](http://alberta.ca/covid19) or call 811.

Our thoughts are with all individuals impacted by this positive case. We wish anyone impacted a quick recovery. Thank you for your understanding and cooperation.

Sincerely,

**Scott Woodward**  
Principal
